DAY CREAM

THE SKIN CARE LINE

DETOX INTENSE

The result of years of research

"Environmental toxins and their effects on the skin"

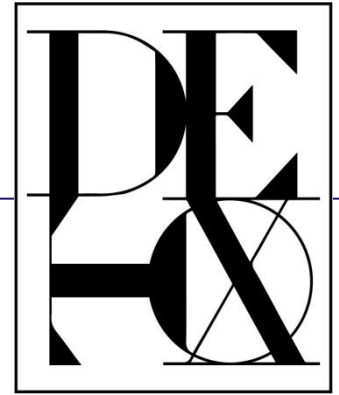

"Biological aging process"

by Prof. dr. Ockenfels

- Renowned dermatologist
- Skin and allergy clinic in Hanau
- World's only consulting dermatologist at Olympia

DETOX INTENSE

PROFESSOR BRAND

PROFESSOR BRAND

Developed with Prof. Dr. Ockenfels

by MALU WILZ Beauté

A skin care line that contains 26 active ingredients

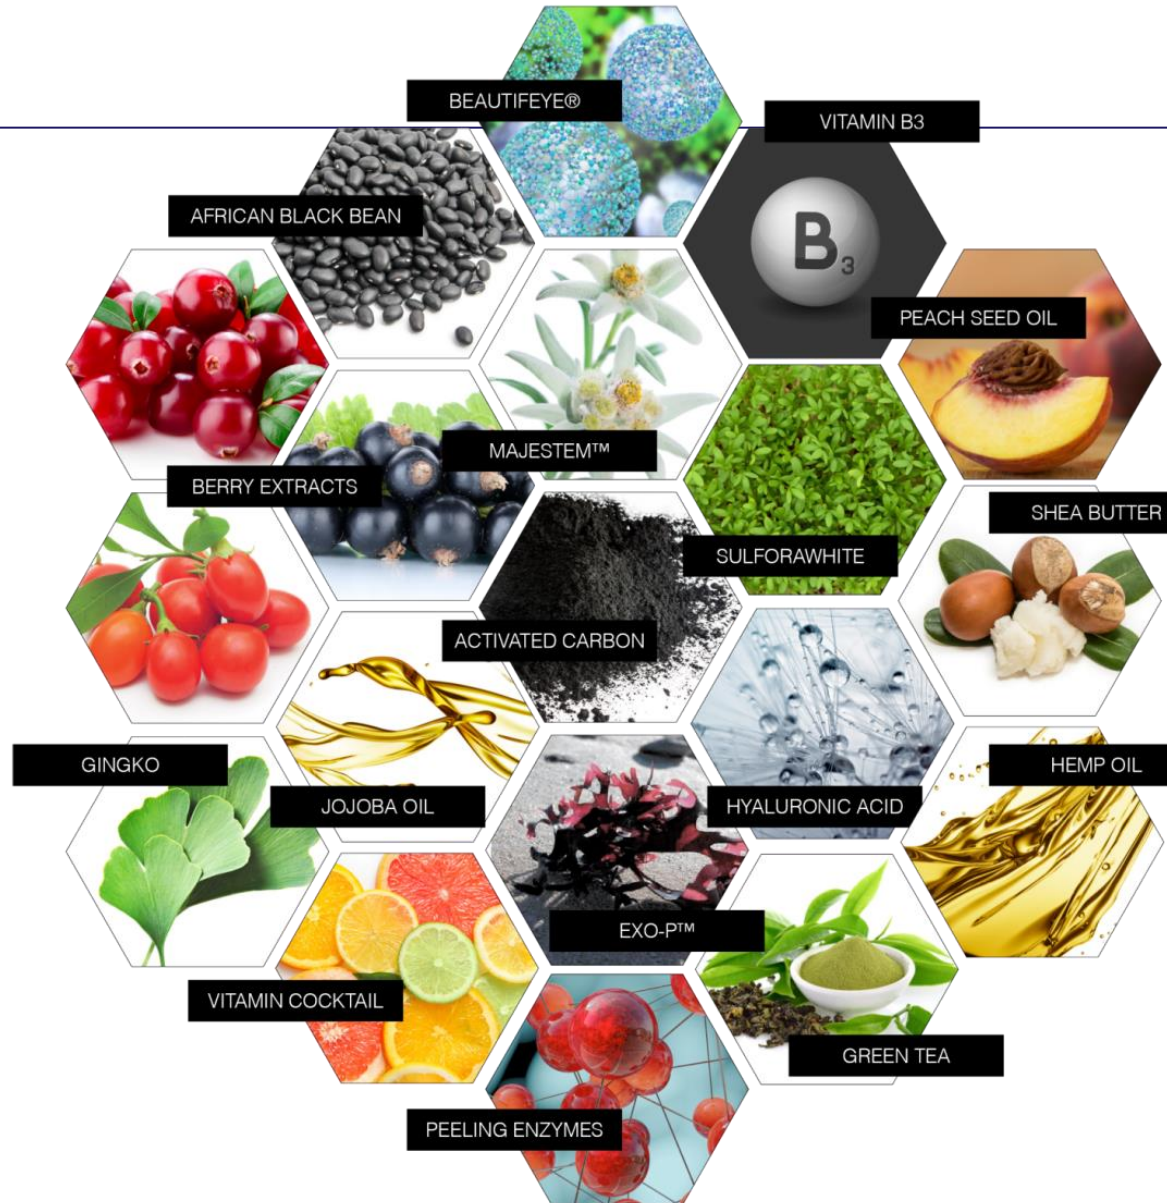

DETOX INTENSE

PROFESSOR BRAND

26 active ingredients
can be seen as a sports team ...

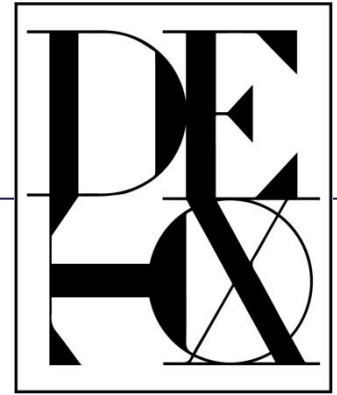

- In combination they unfold their unique and potent effects

All products are paraben free
and have been clinically tested

DETOX INTENSE

DETOX BRAND

DETOX BRAND working against environmental aging

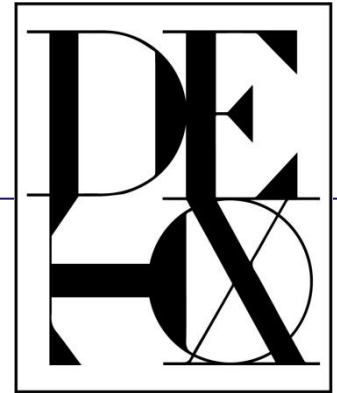

DETOX means the DETOXIFICATION of the skin

DETOX INTENSE works on 3 levels :

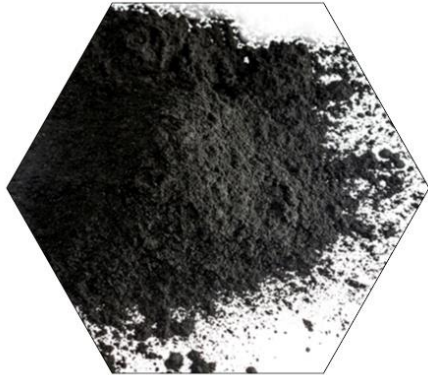

- **Freeing** the skin of toxins
- **Prevention** of damage to the cell
- **Protection** against environmental influences

ACTIVE INGREDIENTS

DETOX BRAND

FREEING THE SKIN OF TOXINS

Activated Carbon

- Activated carbon beads "magnetically" attract dirt particles and deposits and clean the skin thoroughly
- Pore-deep cleansing of sebum and environmental pollution

SulfuraWhite

- Activates the formation of the skin's own detox enzymes as well as antioxidants
- Highly effective free radical scavenger

ACTIVE INGREDIENTS

DETOX BRAND

PREVENTION OF DAMAGE

Berry Cocktail

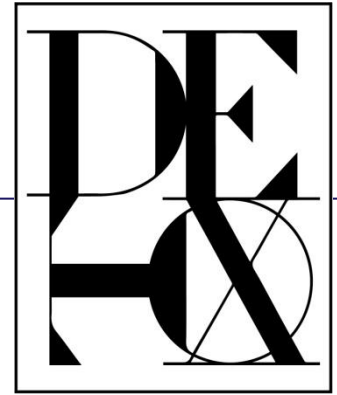

Goji berry, Blueberry, Cranberry, Blackcurrant

PROTECTION AGAINST FREE RADICALS

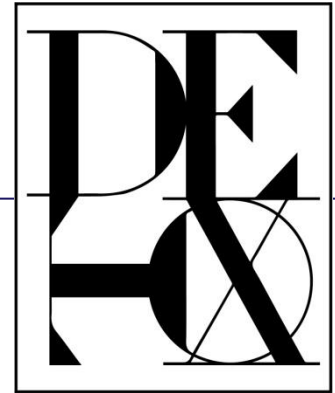

Vitamin Cocktail

Provitamin B5, Vitamin C, Vitamin E

FREE RADICALS

DETOX BRAND

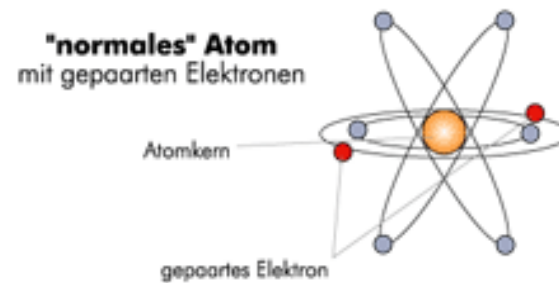

FREE RADICALS

Molecules that arise as a result of the metabolic process in cells.

When released, they **damage the function** of the cell and thereby **promote the aging** process.

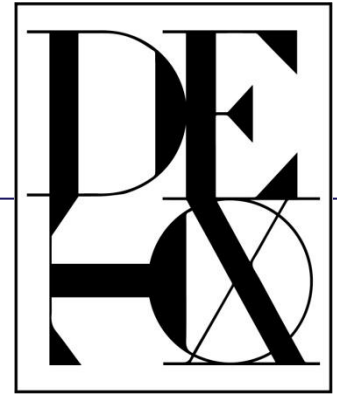

Causes

- Smoke
- Stress
- Wrong diet
- Medicines
- Pollutants in the environment and household
- UV light

THE HIGHLIGHT INGREDIENT

ANTI AGING BRAND

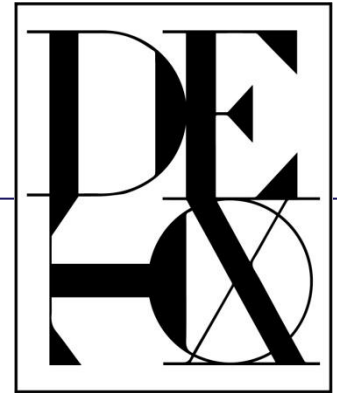

EDELWEISS - The Queen of the Alps

- Its environment with strong UV radiation, wind and harsh weather has allowed the edelweiss to develop natural defenses.
- These properties are invested in the cosmetic active ingredient **Majestem™**, extracted from the stem cells in the leaves by biotechnological processes.

THE HIGHLIGHT INGREDIENT

ANTI AGING BRAND

Majestem™

Acts on both levels of anti-aging:

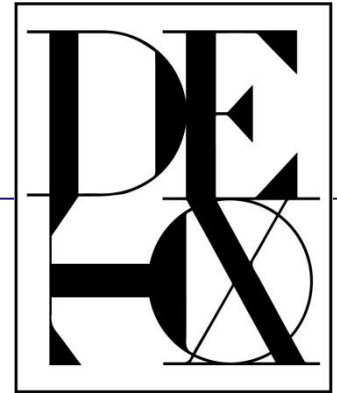

environmental and biological aging!

Works three ways:

- Protects against oxidative stress
- Tightens the skin and regenerates its tonicity
- Boosts collagen synthesis

DETOX INTENSE

SUN PROTECTION

Unique sun protection concept

- UVA protection

"A" like Aging

Protection against **light-induced skin aging**

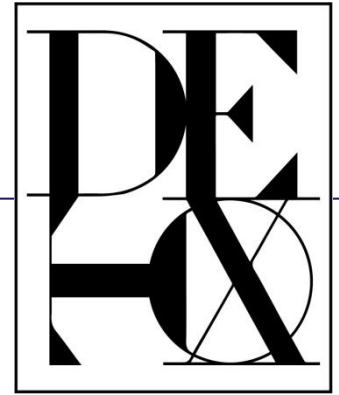

- UVB protection

"B" like Burning

Protection against **sunburn – aging**

Prof. Dr. Ockenfels developed "special" sunscreen drops, that can be combined with any day care cream

Anti-aging eye cream with lifting effect

CLINICALLY
TESTED ✓

THE PRODUCTS

CONCENTRATE

Intensive moisture and skin firming

SUN SHIELD

Light sun protection serum with high sunlight protection SPF 30

THE TREATMENT

The **heart of the treatment** is a highly effective, cabin-exclusive ampoule with Ectoin and three Hyaluronic Acids for **intense moisture and tightening of the skin**

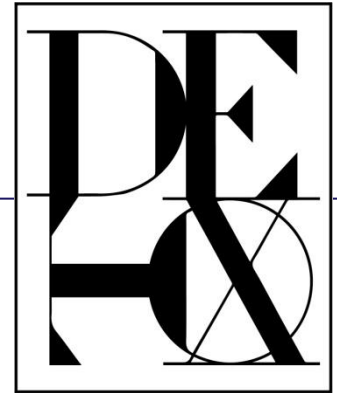

DETOX INTENSE TREATMENT

Highly effective cabin treatment.

Can be combined with:

- The latest techniques such as microneedling, ultrasound, mesoporation
- Manual treatment methods such as cosmetic lymphatic drainage

LYMPH DRAINAGE

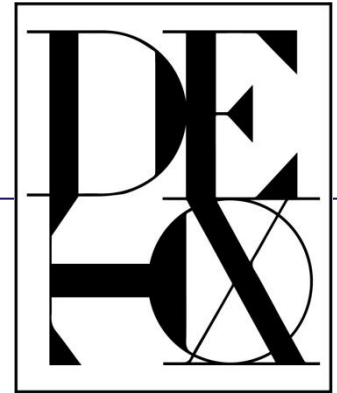

MANUAL LYMPH DRAINAGE

Well known for medical applications

- Manual lymph drainage has been developed especially for non-medical, cosmetic applications
- It stimulates the lymphatic circulation and hereby improves the detoxification and immunity of the skin

DETOX CONCEPT

HOLISTIC APPROACH FOR BODY & MIND

FACIAL TREATMENT

DAY SPA TREATMENT

HEALTHY FOOD & PURIFYING DRINKS

DETOX YOUR BODY & MIND

▪ @ the institute

▪ @ home

DETOX INTENSE DAY SPA

PREVIOUS DAY

PREPARATION

Delete unnecessary meetings from your calendar, You are the main person!

Pay attention to your diet and drink throughout the day 2 liter herbal tea or still water to assist the natural detoxification of the body.

Take a walk in the fresh air | Go to the sauna | Before going to bed drink 1 glass of still water

DETOX DAY AT THE INSTITUTE

GETTING UP

Drink hot water with ginger slices in the morning before breakfast to stimulate your metabolism.

HOT & COLD SHOWER

Start with hot water and change to cold water for about 60 seconds after a few minutes. Change a few times and finish with cold water. Afterwards, have a light breakfast.

ARRIVING AT THE SPA

relax

"Your time out from everyday life in a relaxing environment and in trusting hands"

Welcome drink | Relaxing sounds in the DETOX LOUNGE | Basic footbath

BODY DETOX

Let yourself be pampered with a full body peeling and a full body massage!

FULL BODY PEELING

Thoroughly cleanses the skin surface and removes dead cells

FULL BODY MASSAGE

Stimulates the circulation of the skin and can have a positive effect on the entire metabolism

BELLY MASSAGE

Stimulates the activity of internal digestive organs

RELAX BREAK

Green smoothie | Detox tea

DETOX INTENSE TREATMENT

The heart of your today's break from everyday life! The unique DETOX INTENSE treatment creates an oasis of peace and relaxation. It provides an energy boost to your skin and equips it with effective free-radical scavengers for the fight against premature aging.

- Intensive cleansing
- Increased skin moisture and skin firmness
- Development of cell-protecting and cell-friendly properties

Treatment method: Microneedling, ultrasound, mesoporation or manual lymph drainage

RELAX BREAK

Still water | Snacks

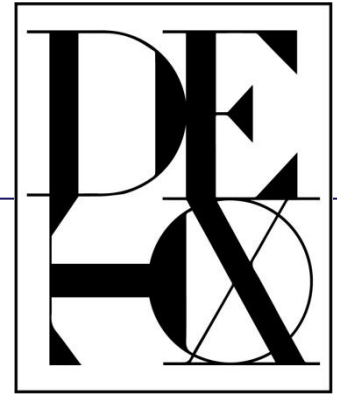

CONCLUSION OF THE DAY

Light evening meal e.g. beetroot or zucchini-cucumber soup.

Refrain from entertainment electronics, read a good book and go to bed early.
